Reliving Nostalgia

Remember the old cartoons you used to watch as kids? Or the time when the biggest worry in your life was to finish your homework on time to be able to go out and play in the evening? From all the pen fights to all the picnics, from all hand cricket matches to all the birthday parties, from a refreshing glass of Tang after a long school to the sheer joy at the onset of summer vacations – all these instances bring out the best memories of our childhood. They induce nostalgia. The sheer realisation of the monstrosity of adulthood is offset by the little memories of childhood that we cherish – memories of when times were much simpler and life was just a fantasy and the biggest problem could be solved with the biggest scoop of ice cream!

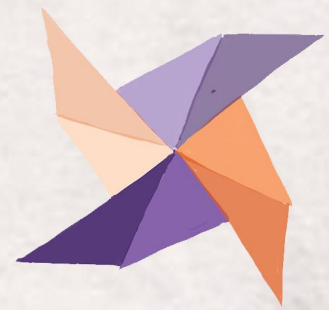

This Symfiesta, come relive those memories. It's your turn to reverse the clock and be the child again. It's the time to forget the adult world for three days and just spend the time in fun and frolick! Come relive the most precious years of your childhood and be the King/Queen of your very own Kingdom of Nostalgia.

And while we gear up for the grandest and the most royal of them all, for the Sixth edition, SymFiesta' 19- "THE KINGDOM OF NOSTALGIA", we write to you to give you even greater news! SymFiesta has collaborated with SLS-NOIDA's National Sports Meet, Aparajit! Aparajit was launched in the year 2017 with a hope to provide a platform to the all the skilled sports players to flaunt, grow and win in their most loved sports.

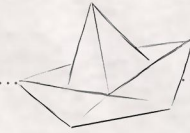

We all at Symbiosis Law School, NOIDA cordially invite you to celebrate the three days of fun, creativity, healthy competition and talent with us on February 15-17, 2019!
